MUSCAT: Popular cricket team Al Hail CT will organise an annual certificate distribution and personality development programme in Al Felaj Hotel on Thursday. Ravneet Chowdhury, chief executive officer of Standard Chartered Bank Oman was the chief guest for the function.

Al Hail CT is one among the leading cricket team in the Sultanate engaged in developing and nurturing young talent.

Apart from the prize distribution ceremony and honouring of players and supporters of the Al Hail CT,

there was a personality development program offered by Hallmark Group for the young Omani cricketers. Hallmark Events LLC is the only company in Oman to offer a comprehensive suite of programmes that make a huge difference to an individual's life and career.

are required," said Moula Baksh Al Balushi, manager of Al Hail CT.

"Our aim is to contribute to the development and growth of all Omani cricket players in Oman for the advancement of the game in the country," Moulabaksh pointed out.

Al Hail CT currently has around thirty odd cricket players but Moulabaksh said the development programmes will also cater to the general public as well.

"We do not want to stick on to our team members alone but also want to expand to schools and colleges in the country," he said.

According to Moula, honouring the players would further boost their performance in the coming season.

"Our players have been sensational throughout the last season and it is important that we need to honour them in a big way. I am sure in the

coming years we will be a force to reckon with," Moula said

Al Hail CT won the G division title last year. "When you honour these players for their brilliant performance certainly it will boost them for the coming season as well," Moula added.
